“

Dear HR Manager,

Hi;

Based on what I heard about what`s going on there, I'm certain that this active group will increase my knowledge and skills, according to the goals and policies of the company.

Here is exactly where my mind and energy belongs to; an intimate, active and highly professional atmosphere.

Wish you more successful days!

Sincerely,

Milad Xandi

”

Semi-professional skills

Middle skill to work with a variety of JS libraries.
